

T3 Information Systems Signs Valued-Added Reseller Agreement with Visual Mining
*Microsoft Gold Certified Partner Now Provides NetCharts Performance Dashboards for
Business Intelligence Dashboards and Financial Reporting*

ROCKVILLE, MD – June 8, 2010 – [Visual Mining](#), a leader in business intelligence dashboard and data visualization solutions, today announced T3 Information Systems, Inc. signed a Valued-Added Reseller Agreement with Visual Mining. T3 Information Systems is a leading provider of accounting software solutions that address critical, specific needs in industries such as Non-Profit, Healthcare, Financial and Distribution/ Service.

Several [T3 Information Systems](#) customers, such as the National Association for the Education of Young Children (NAEYC), are already experiencing the insight and value NetCharts Performance Dashboards provides. NAEYC Comptroller and CFO, Titi Sonekan will highlight her experiences in the *Transforming Corporate and Financial Performance Measurement: A CFO's Perspective on Effective Business Intelligence* workshop during the upcoming CFO Core Concerns Conference in Baltimore, June 27-29.

“By partnering with Visual Mining, T3 further enhances our position as a trusted, valued advisor to our clients,” said Matt Adamowicz, COO and Co-Founder, T3 Information Systems, Inc. “By offering NetCharts Performance Dashboards to new and existing Microsoft Dynamics customers, we now have a unique opportunity and offering that sets us apart from other Dynamics resellers.”

“We are excited to have T3, a Microsoft Gold Certified Partner, join Visual Mining’s Partner Program,” said Tristan Ziegler, Visual Mining President & CEO. “In addition to offering expertise in Dynamics Great Plains, with NetCharts Performance Dashboards, T3 can now offer clients a way to simplify and reduce their reporting, expand their analysis, and better communicate data, trends, and business drivers.”

About Visual Mining

For more than a decade, Visual Mining continues to be a profitable, trusted and valued provider of business intelligence dashboard and data visualization solutions that instantly transform data into actionable business information.
