

Visual Mining's Colin Pitcairn Garners "Ambassador Award" from The Greater Bethesda-Chevy Chase Chamber of Commerce

ROCKVILLE, MD (PRWEB) - July 13, 2006 -- Visual Mining(TM), the premier provider of on-demand graphical reporting, visual analytics, and performance dashboard solutions, announced today that Colin Pitcairn, Director of Channel Sales, received the Ambassador Award from The Greater Bethesda-Chevy Chase Chamber of Commerce. This prestigious honor is presented to the Membership Committee member who had the greatest impact on membership retention and recruitment during 2005-2006.

"We're pleased to have Colin as a key member of our sales team," said Michael MacDonald, CEO and Founder of Visual Mining. "His involvement with the Chamber of Commerce demonstrates Visual Mining's commitment to the local business community."

An accomplished sales executive, Mr. Pitcairn brings more than 22 years of information technology sales experience, with clients in the Fortune 1000 and the United States Army.

"I am delighted that the Chamber has honored me with the Ambassador Award. My main recruitment focus has always been to demonstrate how membership in the Chamber can help them grow their business - especially through new uses of technology," Pitcairn said. "My involvement with the Chamber's Technology Resources Committee permits me to assist businesses by suggesting solutions that improve both business decisions and performance."

Prior to Visual Mining, Mr. Pitcairn was a managing partner at Coretrait, a consulting firm offering human resources solutions. Previously, he worked at Oracle selling software and services and taught consultative selling skills at IBM. He earned a BA in Politics from Wake Forest University in Winston-Salem, NC.

About Visual Mining, Inc:

Visual Mining develops graphical reporting, visual analytics, and on-demand performance dashboards for Business Intelligence solutions. Visual Mining produced NetCharts® as the industry's first commercial Java-based charting engine.
